After Guest Night

We had **two** people return this week, who came to our guest night last week – **Chris Deckhard** and **Kaelin Vernon**. **Chris** is singing bass and **Kaelin** is singing baritone. We need 15 or 20 more guys to make our chorus sound strong enough to compete with the BIG boys. The following is a list of the people who visited, with their telephone numbers (as many numbers as I could get). This list was updated by **Lindle Pogue** at practice this week for spelling, etc.

What's in a Name

It has been suggested that we might change our name. Anyone interested? If you are, talk to Greg or the Board members, with possibilities.

Send your news to **Mike Jones** at mjones685@insightbb.com. You can also give me information at practice. Write it down, and I have a good chance of remembering it. Don't, and there is a very good probability that I won't think of it again until the next time I see you.

Potential Members

Matt Martin, a friend of **Erick Hollander**, came the Thursday before Guest night, and came back Guest night with a 2 liter drink, because he was a bass singer. How's that for feeling like a member real quick. I didn't see him here this week. When you see him, encourage him.

Terry Smith, from Franklin, who sings bass, didn't come back for Guest night. He sings bass. **Ron Crittenden** thinks he has his telephone number, and plans on calling him.

Derby Day Party

There will be a Derby Day Party at **Lindle and Diane Pogue's** home Saturday, May 6, starting around 2:00 pm. Everyone is invited. Families and children are welcome. Their address is 1526 Elrod Rd., which is off 31-W (south toward Franklin) and just past the Wm. Natcher Parkway. They are the 10th house on the left, approximately 1.4 mi. WKU farm and Weyerhauser are on the left and right of Elrod.

Lindle and Diane will provide drinks, paper products and snacks. The rest is potluck, so everyone needs to bring a dish or two. **Fred** will handle a Derby pot so we can place our bets on a horse! Sure hope we have a good turnout.

Performances

(for newcomers like me)

Gigs

(for old comers like **Fred Ganter**)

To help you out, they are as follows:

Cambridge Market, BG, June 22

Cambridge Market, BG, September 23

Jack Stoess says there should be a performance in July but he has not gotten a date yet.

District Contest, Muncie, Indiana, September 29- October 1 (I added this one)

Caveman Chorus 33rd Annual Show, Capitol Theatre, December 9

Website

There is a lot of info on the site. If you have questions on how to use it (not the info, but the site), call **Josh Givens**. He is the Webmaster. (I think that is what they call the guy that catches all the flack if something goes wrong with it.) As time goes on, I will try to get Josh to give us tips on how to move around on the site. There is also a website for the Cardinal District, which has a lot of information regarding the district. It is www.cardinaldistrict.org.

Performances

If you go to the Caveman Chorus website **Home Page**, www.cavemanchorus.org, there is a box to hit on called "**See Us**". If you click on it, it will bring up the events we will be performing.

Miscellaneous

We assigned putting up and taking down the risers to different sections in the past. Does anyone know who is supposed to be doing it now? It looks like the same ones are doing it every time.

Thanks to **Fred Ganter** for the music last practice. We may be getting close to deciding what songs we will sing at the contest in the Fall.

In the future I will try to get the minutes of the Board meetings to pass on in this newsletter. **This is a hint to the Board members.**

I don't have the **correct** email addresses for the following people. Their newsletters were returned to me. If anyone knows them, let me know. Thanks.

Bob Jones, Ron Crittenden, Erick Hollander, Josh Jennings, David Koonces

I don't have **any** email addresses for the following – right or wrong.

Mike Wheeley, Adam Wheeley, David Mahaney, Doug Perkins, Billie Hurt, Billy Hoagland
