## **Things are Happening!**

### **Introduction**

Send your news to **Mike Jones** at [mjones685@insightbb.com](mailto:mjones685@insightbb.com). You can also give me information at practice. Write it down, and I have a good chance of remembering it. Don't, and there is a very good probability that I won't think of it again until the next time I see you.

## Guest Night

My observation of “Afterglow” was that it went over very well. Several guests stayed, several tags were sung, and lots of conversation went on. Having the food at the building seemed to give everyone more time to sing and enjoy the time together.

## Potential Members

**Matt Martin**, a friend of **Erick Hollander**, came the Thursday before Guest night, and came back Guest night with a drink, because he was a bass singer. How’s that for feeling like a member real quick.

**Terry Smith**, from Franklin, who sings bass, didn’t come back for Guest night. I don’t know how to get in touch with him, but if someone does, you might give him a call. He sings bass.

The folks that visited this week were as follows: (The spelling may be wrong. Try reading **Lindle’s** writing sometime. It looks good, but it is hard to read the letters. Thanks for getting the info on the visitors for us **Lindle**.

A CD by the Louisville Times was given away for a door prize. **Ward Coleman** got it.

## Performances

(for newcomers like me)

## Gigs

(for old comers like **Fred Ganter**)

To help you out, they are as follows:

Cambridge Market, BG, June 22

Cambridge Market, BG, September 23

District Contest, Muncie, Indiana, September 29- October 1 (I added this one)

Caveman Chorus 33<sup>rd</sup> Annual Show, Capitol Theatre, December 9

## Website

There is a lot of info on the site. If you have questions on how to use it (not the info, but the site), call **Josh Givens**. He is the Webmaster. (I think that is what they call the guy that catches all the flack if something goes wrong with it.) As time goes on, I will try to get Josh to give us tips on how to move around on the site. There is also a website for the Cardinal District, which has a lot of information regarding the district. It is [www.cardinaldistrict.org](http://www.cardinaldistrict.org).

If you go to the Caveman Chorus website **Home Page**, [www.cavemanchorus.org](http://www.cavemanchorus.org), there is a box to hit on called “**See Us**”. If you click on it, it will bring up the events we will be performing.

## Miscellaneous

We assigned putting up and taking down the risers to different sections in the past. Does anyone know who is supposed to be doing it now? It looks like the same ones are doing it every time.

Thanks to **Fred Ganter** for the pictures of guest night.

In the future I will try to get the minutes of the Board meetings to pass on in this newsletter. This is a hint to the Board members.
