Practice

We performed at the Holy Trinity Lutheran Church on Nashville Road this last Thursday. There were 23 plus Greg, and we sounded good. The audience was a good audience. They cheered us on. We were missing some important people though - Leads – **David White, Shaun Murphy**, Tenors – **Jamie Poff**, Baritones – **Chad Reagan, Matt Nelson**, Basses – **Gary Elliott, Jack Jacobsen, Matt Martin, Billy Hoagland**, and maybe someone else. Even though we don't take roll, we sure can tell when those voices are missing. We still need 15 or 20 more guys to make our chorus sound strong enough to compete this fall. You know – if all of us showed up at the same practice, we would have around 35 guys singing. That's a lot better than a year ago.

It sure was good seeing the smiling face of **Billie Hurt** back. He says he is feeling better.

We are supposed to be off the music for **“Look me up when you're in Dixie.**

Remember Missing Members

Here are some members we haven't seen in a while. **Jack Jacobsen, Darrell Saalwaechter, Mac Stanley.** Jack's wife is still not doing well. If you get a chance, give them a call and tell them you miss them.

Special Stuff

We had a going away party for **Pete Pezza** this last Thursday, and he liked it so much, he has extended his stay here for another four weeks. **Pete**, this is not getting you four more going away parties; we don’t care how much fun you had. We hope you enjoy the \$5 gold piece, and the photo album. You have been a great asset to the Chorus this past year, and we are really going to miss you.(If you ever leave, just kidding. You can stay as long as you want.)

It was good seeing **David Mahaney** and **Matt Nelson** back.. We hope to see them more and more.

There is a Board meeting at Lowell Shank’s house on Sunday July 23, 2006, at 2:00pm. Everyone is welcome.

Send your news to **Mike Jones** at mjones685@insightbb.com. You can also give me information at practice. Write it down, and I have a good chance of remembering it. Don’t, and there is a very good probability that I won’t think of it again until the next time I see you.
