Practice

We had good attendance last practice. We were missing some important people though - Leads – **Pete Pezza, Billie Hurt** (Billie hasn't felt good and is laying out for a while), Tenors – **Josh Givens, Jamie Poff**, Baritones – **Brad Caffey, Matt Nelson**, (hopefully his class will be over soon) Basses – **Brian Rich, Gary Elliott, Jack Jacobsen**, and maybe someone else. Even though we don't take roll, we sure can tell when those voices are missing. We still need 15 or 20 more guys to make our chorus sound strong enough to compete this fall. You know – if all of us showed up at the same practice, we would have around 35 guys singing. That's a lot better than a year ago.

We had quartets and large quartets singing a tag after break. They sounded good. It looked like everyone enjoyed it. The pictures on the following page give you an idea.

We are supposed to be off the music for "It is well with my soul" and "Smilin' Through" by next practice.

Remember Missing Members

Here are some members we haven't seen in a while. **Jack Jacobsen, Darrell Saalwaechter, Mac Stanley.** Jack's wife is still not doing well. If you get a chance, give them a call and tell them you miss them.

Website

There is a lot of info on the site. If you have questions on how to use it (not the info, but the site), call **Josh Givens**

Send your news to **Mike Jones** at mjones685@insightbb.com. You can also give me information at practice. Write it down, and I have a good chance of remembering it. Don't, and there is a very good probability that I won't think of it again until the next time I see you.
